**If you have been a previous vender , please submit \$20 application fee, you are receiving a discount as a thank you for supporting us !!!**

You will be provided with a 10 x 10 space. No tables, chairs or electricity provided. A very limited space will have some electricity, if needed. Please contact Kathy prior to submitting an application to discuss electricity needs. The event will be held outdoors in the East Waverly Park on Ithaca Street in Village of Waverly, NY . Rain or shine. There are public restrooms available onsite. Food will be available for purchase. The booth space will be set up on a grassy area within the park. This will be a music festival with live music playing all day long. You can stay as long or as short as you like. We will offer carnival games for the kids, BBQ style food will be sold. A great family friendly event ! We are trying to put together a charity motorcycle club run to be added to the fun. We are adding new things throughout the year as we get them set up. We have decided to keep this event on the 4th Saturday of July every year and at East Waverly park to try to grow a following and build our event. Thank you for taking the ride along with us as we build a great organization and make a difference with cancer research!

This is a fundraising event for the Li Fraumeni cancer research. This is a cancer related disease that 2 of our daughters passed away from and has had a major impact on our extended family as well. James Higgins (Kerry & Maureen's dad) is now battling this disease himself. 100% of the proceeds of this event will be donated to charity.

Our goal with this event is to raise awareness of Li Fraumeni and to raise money to fund research to find a cure. A portion of the proceeds will also be donated to the Sayre House of Hope. They are a place that offers lodging to out of town

Spots will be reserved based on when I receive the application and check. First rep from a company to send in the check and application will have the spot. Unless otherwise arranged with Kathy.

Send application and check to :
