You will be provided with a 10 x 10 spot outside on a grassy area. . If necessary...we do have a few spots that could have electric available. These tables would have to be set apart from the main vendor area due to proximity to the electric source. The event is being held at the East Waverly Park located within the Village of Waverly (across from Soprano's Italian Market). The event will take place rain or shine. Public restrooms are available as well as a kitchen serving food. You may stay as long or short as you like. Music will begin around noon and run until 8:00 or so.

This event is designed for a fun family friendly day out with food, games, crafts and music for everyone to enjoy.

We are also hosting a charity motorcycle run to be added this year.

We will have staff available to sub in if you need to use the restroom or get some food. We also will have food runners available for you.

The purpose of this event is to raise money for children with Li Fraumeni Syndrome (LFS). The disease is a genetic disorder affecting the cancer suppressor gene. These children have a 90% chance of developing cancer in their lifetime over and over again. 100% for females due to the extremely high risk for breast cancer. We pay for life saving MRI's for the kids. Insurance companies typically do not pay for them. We also fund a summer camp program for these kids.

Two of our daughters have passed away from this disease as well as 2 other family members. My husband has it as well.

100% of the proceeds from this event will given to LiFraumeni Syndrome Association.org to help kids with LFS get the screenings they need.

We also strive to raise awareness of LFS. It is estimated that 1 in 5000 people have this disease and many do not know it.

I am the Education and Outreach Liaison for Li Fraumeni Syndrome Association.org as well as a Board of Directors Member.

Vendor spots will be reserved on a first come first served basis. If you are a direct sales Rep: Please contact me prior to submitting your application to be sure the spot for your company is still open. Crafters or artisans are all welcome.

We are in our 5th year with this event and continue to grow it every year. We do get TV and print media coverage and promote the event through social media heavily.
