Our event consists of a large free music festival with 10+ live bands playing throughout the day. A craft show, crafts and games for the kids, and either a BBQ style kitchen being run by our staff or food vendors coming in. We have not decided on which way we will deal with the food yet. Food vendors would be set up near the craft vendor area. Craft vendor area is away from the music so it will not interfere with your sales.

Our event runs until 8 pm but we do not expect you to stay that late. Most times vendors leave around 4. You can come as late as you like or as early as 8 am and leave anytime.

We will have staff available to help with food breaks or bathroom breaks as needed.

You must supply your own set up with tables, chairs, tents, etc. This is an outdoor event which will run either rain or shine. You will be set up in a grassy level area in the center of the park.

This event is run to raise money for cancer research and will be given to LFSA. Li Fraumeni Syndrome Association.org. 4 of our family members including 2 of our daughters have passed away from this disease. It is estimated that 1-5000 may have this disease. Over 50% of cancers worldwide have a common mutation with our disease. We fund research to help find a cure. This will help over 50% of all cancers! Help us make a difference!
