This is a fundraising event for the Li Fraumeni Association research. This is a cancer related disease that 2 of our daughters passed away from and has had a major impact on our extended family as well. 100% of the proceeds of this event will be donated to charity. We have also chosen to give some of the money to the local area high school drama clubs here in the valley. Our girls were very involved in the drama clubs through school.

Spots will be reserved based on when I receive the application and check. First rep from a company to send in the check and application will have the spot.
